Don't miss this amazing chance to meet wild horse expert, ecologist & author Craig Downer, and Equine Assisted Growth and Learning Association (EAGALA) educator Rob Pliskin, together with Saving America's Horses international award winning filmmaker, Katia Louise.

Entry by advance ticket purchase only - Limited space available. Proceeds to benefit the Wild For Life Foundation (WFLF), Charity Equine Sanctuary and Wellness Center where horses and people are partners in healing. The Sanctuary Center offer permanent safe harbor to many imperiled wild and domestic equines and also provide robust equine assisted programs for disadvantaged youth, active duty military, and veterans and their families.

"I urge your generous support", says Craig Downer. "Until we can get the Wild Free-roaming Horses and Burros Act (WHFBA) back in gear true sanctuaries like Wild For Life Foundation's are urgently needed to rescue as many individual horses and burros as possible! Nearly all of these would otherwise go to slaughter, as the sad record proves."

Performances and appearances by world-renowned tenor Anthony Kearns, reception vocalists Randall & Richard James, and featuring the ceremonial Hummingbird Drum by the Morning Star Foundation.

Live Auction Featuring the custom artwork of World renowned pop culture artist PETER MAX.

'SHARE' and 'LIKE' to help promote this essential effort on behalf of all the horses in need.
